Reporting Y2 TA in Integris Assessment
Stage 6: KS1 Quick Analysis

Go to **Modules > Assessment > Analysis > Go to Quick Analysis** > in the left hand pane, you need to look for the admin user's folder (i.e. who set up the markbooks) and locate and open (+) the **KS1 2019** folder > then select the **NC Key Stage 1 2019** markbook.

*You will then see the following graph based on the **Assessment items** (column) for English with Reading (KS1 En Rea) listed as the first column . The graph will show separate bar columns for each enrolled group assigned to the **NC Key Stage 1 2019** markbook – ie. Class(es) and one for the Year group (Total).*

o Click on any of the *Assessment items* listed to switch the display
o Click on any of the *Subject* tabs at the top to view a different subject
o Hover over any part of the graph column to see the count/% figures
o View the table beneath the graphs for further statistical detail

o **By clicking on any of the bar columns** (e.g.a class)– you will see displayed graphs for each of the following **groups** within the group selected : **Gender; SEN Stage; EAL; EverFSM (FSM PP only); Pupil Premium-Any Ever (all PP)**
o Select to view data as *Value* or *Percentage*
o If you have more than one class, switch class under the *Enrolled Group* menu
o Click *Back* to return to main graphs and select another bar
o Each graph can be exported separately (through the **EXPORT** menu) – either as data into a csv (spreadsheet); data into a table (HTML) or as an image (PNG)
