2019 Performance ANALYSIS in Integris Multiple Assessment Items Interactive Tool

- Select the markbook you wish to analyse and click OK

When the markbook is displayed in the **Assessment Plan** text box, you should see the list of groups children that have been assigned to this markbook in the **Student Selection** area.

- Select the group of pupils you wish to analyse
- Then click on the **Assessment Items** tab

The units and columns as they appear in the markbook selected will be listed here.

- Expand the unit by clicking on the + and then tick the column(s) you wish to analyse.
- One final check – make sure the **Report on Lookup Set box** displays the same lookup name used for the column(s) you have selected!!!
- Click on **Table** to see a table similar to this (KS1 example):

Assessment Levels Analysis - for Multiple Assessment Items Save as Custom Analysis

Assessment Plan: NC Key Stage 1 2016(1)

Show Numbers ☐ Hide Zero Columns ☐ Show Levels ☐ Split by Gender ☐

| Item | Level | /BLW/A/D | PKF | WTS | EXS | GDS | Total | Mean |
|--------------|-------|-----------|-----------|----------|-----------|----------|-----------|--------------|
| KS1 En Rea | | 13 | 6 | 2 | 3 | 2 | 26 | 10.88 |
| KS1 En Wri | | 12 | 2 | 4 | 6 | 2 | 26 | 14.31 |
| KS1 Ma TA | | 12 | 2 | 3 | 7 | 2 | 26 | 14.69 |
| Total | | 37 | 10 | 9 | 16 | 6 | 78 | 13.29 |

You can now change/interrogate the data in the table:

- change the first drop down menu to display % as well as numbers
- click on a cell to view the children (displayed on the right of the screen) – (any of the pupils lists can be printed)
 - click on a child's name to view all the results of the child within the table
 - double-click the child's name to view their **Student Profile** window
- Change the Show Numbers to Show Pupils to get a 'hibernation' sheet in the first drop-down menu – to print this, click on the XLS button to export it to Excel and print from there

To show percentages by different children groups i.e. EAL, SEN, etc.

- Click the **Student Selection** tab
- Click the tickbox for **Separate Page for each** and select the group – *in the example below, date of birth is selected to eventually show 3 separate tables for autumn, spring and summer born pupils.*

- Then click **Table** – you will find scroll arrows to take you to each table per group breakdown.
